

RETURN POLICY

Policy Version: 2026.1

1. Return Eligibility

Customers can request a return within 7 days of delivery for eligible products.

Products must be:

- Unused or lightly used as permitted by the product category.
- In their original packaging.
- Accompanied by accessories, manuals, and other included items.
- Free from customer-caused physical damage.

2. Non-Returnable Products

The following products cannot normally be returned:

- Personal hygiene products.
- Innerwear and intimate products.
- Perishable food items.
- Customized or personalized products.
- Gift cards.
- Products damaged because of misuse.

3. Damaged Products

If a product arrives damaged, the customer should report the issue within 48 hours of delivery.

Customers may be asked to provide:

- Photographs of the damaged product.
- Photographs of the packaging.

- Order ID.
- Description of the damage.

4. Return Process

The customer can request a return through the ShopEase support system.

After submitting a return request:

1. ShopEase verifies the request.
2. A pickup may be scheduled.
3. The product is inspected after pickup.
4. The return is approved or rejected.
5. If approved, the refund process begins.

5. Return Pickup

Pickup normally occurs within 2–5 business days after return approval.

If pickup fails twice because the customer is unavailable, the return request may be cancelled.

6. Return Rejection

A return may be rejected if:

- The product was damaged by the customer.
- The product is missing accessories.
- The return request was submitted after the allowed period.
- The product belongs to a non-returnable category.

7. Exchange

Some products support exchange instead of refund. Exchange availability depends on inventory.

8. Contact Support

Customers can contact ShopEase support if they believe a valid return was incorrectly rejected.
